
I Am Ahoyager Episodes

Posted by Lilredhead - 2008/03/10 06:05

I Am Ahoyager, developed by Chad Troftgruben and Pete Thomas, is a new take on the Ahoyager formula. Launched in August 2006, the series follows the galactic adventures of Captain Pakaday and the struggles she faces. Not to be confused with Ahoyager: The Journey Home, I Am Ahoyager is a completely new series. Think of it as a reboot of sorts.

The series features short episodes that, in time, will make up a big storyline. While the series is supposed to be humorous, it is much more character driven and dramatic than the previous Ahoyager series. So, prepare yourself for action, drama and plenty of conveniently placed cliff hangers!

Here are the chapters and episodes listed in chronological order as of February 21st, 2007:

Chapter 01: Marooned:

Episode 03

Episode 02

Episode 01
